SAMPLE TELEPHONE SCRIPT

Hello, _____ My name is _____ and I am calling to respectfully request that a formal investigation be opened regarding the crimes alleged by Tony Bobulinski in a recent Tucker Carlson interview on Fox News. Also, I tuned into the Pete Santilli Show, and I was made aware that the FBI has been covering up serious crimes relating to surveillance of American citizens including Supreme Court Justices, as well as evidence of election fraud in the November 2020 election.

I would like to inform you that if my FBI field office does not investigate these serious potential crimes, I will be gathering with a group of people at my local field office. We are calling it "Jesus for Justice", and a relatively large group of people will gather outside your field office to pray for the following:

- 1) That Agents and personnel within the FBI field office do there job. Nothing more, and certainly nothing less, especially in light of the seriousness of the potential crimes that have been perpetrated by individuals within your own agency.
- 2) That Agents and personnel within the FBI field office who are prevented from doing their job and investigating these serious matters, will turn in their badge & gun, and join us ---your fellow American patriots --- at our prayer rally.
- 3) That all Agents and personnel within the FBI will do everything within their power and authority to end corruption within the agency. We pray that the good people within the agency put their country before their retirement & stop turning a blind eye to corruption.
