Jun 18, 2022 at 10:44 PM

Great to hear from you. Yes. I heard from Treniss about Dan Love at Jan 6

I'm on a road trip to Porciest in New Hampshire. I've been offline for 4 days. As soon as I arrive in NH ill upload everything and get to work.

Just wanted to make sure we connect. J6 looks to be the same DOJ/FBI model as the Bundy nightmare...on steroids. Same crooked deep staters with a bigger budget

When you get settled ping me back. I have been doing a lot behind the scenes and I want to talk to you about a couple important things .. like not capitalizing on CJA resources

Mon, Nov 14 at 6:58 PM

Pete Santilli here. I am sitting next to . Please call me asap

Ok

Thu, Dec 29 at 6:32 AM

Okay...I guess I need to be more forceful in getting your attention. TODAY I need to speak with you. I know you are busy, but I need your counsel & I need to fill you in a few things that are developing. Please chisel some time out for me. I am available between 11am-3pm

[REDACTED]

We need to talk about [REDACTED]

Yes Pete. I'm available now

Sat, Jan 14 at 12:58 PM

Do you have a minute?

Sat, Jan 14 at 2:38 PM

You need to pull EVAN NEUMANN'S FBI 302 w/ GeoFencing data tracking him...and then find Sergai Dybyryn ...and overlay that with [REDACTED] says he was with him — HIS HANDLER. Dybyryn released an unknown agent into the crowd. Before he released it, the SMU Ops "popped red smoke" to signal for the team to recede to the back

Sergai Dybyryn came to the US with [REDACTED] diplomatic status and what was told to me as some sort of diplomatic courier bag that could not be searched . Seeing the RED SMOKE corroborated some of what was told

PETE SANTILLI CALLS FBI TO REPORT FEDERAL AGENT CAUGHT ON JAN 6TH

Confirm you received this

The graphic has a red border. At the top, it says "THE PETE SANTILLI SHOW" in a stylized font. Below that, in large red and white letters, is "BOMBSHELL J6 EVIDENCE" and "RAY EPPS & EVAN NEUMANN HIGHLIGHTS". On the right side, there is a "WANTED BY THE FBI" poster for "EVAN NEUMANN". The poster includes a small photo of a man and some text, including "California man granted asylum in Belarus after being sought in Jan. 6 riot and police assault".

THE CORRUPT FBI, CIA & DOJ ARE IN AN ABSOLUTE PANIC OVER THIS VIDEO!

Were you able to look at that stuff?

Yes. Still trying to determine what role Evan Neumann played.

Sun, Jan 15 at 2:51 PM

Per [redacted], he was the "Handler" for the ukrainians --- segai Dybybyn, etc

Neumann is in your discovery ... with his ukraine revolution / azov nazi scarf . Neumann has evidence that he covertly communicated with black ops on child porn websites... the servers were run by the fbi

I can give you some questions to ask during cross examination of FBI, DHS, etc. that will "open the door"

Neumann has agreed to testify and provide evidence, but needs some sort of immunity

If you get Daniel P Love subpoena'd as a witness, it will also open the door. That was him, and it was confirmed by Neumann. The FBI have received the tip and likely followed up. At minimum, they have geofence data showing neumann, love and dybybyn moving around at the capitol

Roger: i have all the evidence, witnesses, court cases, etc for you to bring the J6 cases to a screeching halt.

This case is about. ENTRAPMENT, Self defense... and the approach is the same as in nevada : unpack it in court and cause the USG to declare

If you expose 1/10 of what we have for evidence, they will dismiss as part of the coverup

Seems like you are running a little behind schedule to understand what i have for you

Sun, Mar 12 at 1:16 PM

Can I call you

Thu, Mar 23 at 10:41 PM

Can't talk, text me.

Is the name Jen Lon on the joint defense witness list?

If so, that's your FBI informant

I have background

Jennilynn Lohmer Salinas

That's her real name..."nickname" is Jen Loh

Copy?

³ The CHS's nickname (but not true name) was included on the list of 87 potential witnesses provided by defense counsel to the government on December 17, 2022, as part of the Joint Defense Witness List. The government learned at some point thereafter that the individual had a CHS relationship with the FBI. As discussed below, the CHS's reporting to the FBI did not appear on its face to pertain to these charged defendants. The government has provided the Court, *ex parte* and under seal, documentation of the CHS's reports to the FBI.

[REDACTED] on the defense team. Fearless

I know who he is. Shoot me his number

Thu, Mar 9 at 1:58 PM

[REDACTED] i know you are busy, but can you at least do an audio update on what was discussed in court today?

I really can't. Sorry.

Sun, Mar 12 at 12:10 PM

[REDACTED] for almost a year, I've been trying to get one of the Def atty's attention re: the J6 facial recognition team (small group) who have been relaying through back channels that they are aware that the 1st breach & second breach scans identified that the MAJORITY of the people at those breeches were feds/.ITTF/Military etc.

Tucker has also claimed he was aware of the facial recognition video, but could not see or reveal it. Can you tell me why nobody has pursued this? From what I was told, they cannot come forward voluntarily because of their NDA's but would testify truthfully if called as a witness. NO DEFENSE ATTORNEY HAS PURSUED THIS. Please tell me what I need to do to get someone's attention about this. I believe its the crown jewel, and there's a perfect storm opening the door for your team to pursue this info — without getting pushed back by the court for being on a "fishing expedition". I am being told that the team is perplexed that they have not been subpoena'd to testify. Is this much more complex than I am aware?

Have you been in touch with Roger Roots?
He may have the resources to pursue this

Will do.

Roger

I will get with

Tue, Mar 14 at 4:33 PM

I will arrange a subpoena. Give me a name and address?

You have my attention. Now is the time for

this person to come forward.

A former senior special agent (30 years retired) has said that it is a small group that did the facial recognition. Any one of them will testify. I think the team has 5 people — all of them will come to the stand and blow the lid off this thing. My source has [REDACTED] but they cannot volunteer info outside of being subpoena'd to testify.

They have gotten the word to him via backchannel contacts, but it was made clear to me that ALL / ANY of them will testify, and its a small group

I need names and addresses now. I heard enough today to roll the dice

[REDACTED] i was told you could pull any one of them in. I will try to get names . The team is small... i was told 5 members

I was just told, they are in fear of their jobs and lives. but if you brought 1 or 5 in ... any one of them will testify that the majority of the front line are the first breach were feds , and large numbers were at the second especially when the line broke through past the Cap police . Ray epps was at that area

The term that was used was "friendlies" every where

This came to me because of my connections to the bundy trial investigators and federal

agents who blew the whistle back then

Just given to me: the entire FACE team....
"Facial analysis comparison and evaluation
team " assigned to Jan 6th

FACE services unit

Biometric services section, criminal justice
information services division

... everyone that was assigned will testify. I
was informed it was 5 max

If I am going to issue a subpoena I need to
know a name and address

Trying

They are under NDA's ... i have no idea how
to contend with that. How do they navigate
around that ?

Let me subpoena someone and I will deal
with it

They are fearful of communicating in any
way... i was asked if there was a way to
compel the government to provide the
names of individuals on the FACE team
under seal, or ex parte hearing

I am still pressing hard

Tue, Mar 14 at 10:56 PM

The way it stands right now... They are
petrified. but i suggested they contact an

attorney. Should i, or can i give them your contact number. I hesitated not knowing if it was appropriate

Please advise and i will pass on your number... i am told you would get a call and receive info on who will meet you in person

Sure
